

Evidence of student travel insurance coverage shall be submitted to, received by, and accepted by the host district prior to the student's departure from home. As the host Rotary district must be in a position to arrange immediate and emergency medical attention when it is needed, the host district must be satisfied that the insurance coverage carried by the student is with a responsible insurance company which will ensure that any service providers receive complete and prompt payment.

Clubs and districts are strongly encouraged to consult insurance counsel for advice on obtaining liability insurance and other coverage and should be fully informed about government's policies and regulations regarding foreign students, including insurance coverage requirements.

Participation in extreme sports, such as hang gliding, rock climbing, and bungee jumping, is discouraged. If students are allowed to participate in extreme sports, these activities should be undertaken with the host districts' and parent or legal guardian's written permission, and additional adequate insurance should be obtained.
