Natalia Gutiérrez  
Rotary Peace Fellow 2017/18

Natalia is a passionate professional with a background in international corporation and public sector, in the fields of development, conflict resolution and security policies.

She has successfully coordinated and managed tasks related to the design, formulation, implementation and evaluation of public policies on citizen security and coexistence in the most vulnerable, marginalised and conflict-affected communities in Colombia.

Prior to the Rotary Peace Fellowship, she worked at the Mayor's Office of Bogota City in the Security Division, where she coordinated projects for reducing the incidences of crimes such as human trafficking, illegal economies, drug trafficking, digital security, theft and homicide.
