*** PLEASE NOTE - District Crocus Corm 2018 Co-Ordinators will have to ensure that for the Bags of 1,000 the overall order from their District for these must be in multiples of 5 as 5 bags of 1,000 will be placed in one outer box. These bags of 1,000 are a result of requests for smaller sizes. The cheapest alternative is to order them in boxes of 5,000 as normal and split them by weight for clubs who want less.
