

FILL YOUR PLATE For Polio

Our goal is to raise funds to continue Rotary's key humanitarian priority of totally ridding the world from polio, a terrible, paralysing disease that can kill or severely disable children. By taking part in Fill Your Plate For Polio, you are making a difference to the lives of millions of children.

We are nearly there

Together, we step up to the world's biggest challenges and after three decades, Rotary is on the brink of history and ending polio now and forever.

In 1985, when Rotary began its pledge, there were 125 polio endemic countries.

In 2018, there are now just three, Pakistan, Afghanistan and Nigeria.

What is POLIO?

Polio mainly affects children under the age of 5.

Rotary has helped immunise 2.5 billion children globally since 1985.

2.5 billion

It costs just 20p to protect a child with a life changing polio vaccine.

BILL & MELINDA GATES foundation

Every £1 raised will be matched by an additional £2 from The Bill & Melinda Gates Foundation.
