

Rotary CHALLENGE

1,240 GET MOVING TO END POLIO

Our goal is to raise funds to continue Rotary's key humanitarian priority of totally ridding the world from polio, a terrible, paralysing disease that can kill or severely disable children. By taking part in Get Moving to End Polio, you are making a difference to the lives of millions of children.

The only way to end polio is together

After three decades of incredible progress, we are on the brink of eradicating polio. Rotary needs your support and fundraising efforts to make history to end polio everywhere now and forever.

In 1985, when Rotary began its pledge, there were 125 polio endemic countries.

Today, there are now just three, Pakistan, Afghanistan and Nigeria.

How to donate:
rotarygbi.org/donatepolio

RFUK Charity No. 1002059

What is Polio?

Polio mainly affects children under the age of 5.

Rotary has helped immunise 2.5 billion children globally since 1985.

BILL & MELINDA GATES foundation

Every £1 raised will be matched by an additional £2 from The Bill & Melinda Gates Foundation.

It costs just 20p to protect a child with a life changing polio vaccine.
