Make every £1 worth 25p more at no extra cost to you. It's just a little box to tick, but Gift Aid makes a huge difference when it comes to how much money we can raise in our efforts to eradicate polio from the world.

I confirm I am a UK tax payer and understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year it is my responsibility to pay any difference. I understand the charity will reclaim 25p of tax on every £1 that I give.

£1 = £3!

As a partner of Rotary in the Global Polio Eradication Initiative, the Bill & Melinda Gates Foundation has pledged to match all Rotary funds 2:1, so every £1 rasied becomes £3.
