

SUNDAY 5TH JUNE

Thank You Day on the Sunday of the Platinum Jubilee weekend is an opportunity for us all to say a huge thank you to each other, and to the Queen, and to get together with our communities over a Big Jubilee Lunch.

This year for the jubilee, our streets, parks and natural environment will be hosting street parties, events, get-togethers across the country as we come together to celebrate the Queen and each other. So let's take an hour to say thank you to our natural environment!

On, Sunday 5th June which is also World Environment Day, Rotary are leading communities across the country to say Thank You To their environment by getting together for #Power Hour - a national litter pick to clear up their streets for an hour before Jubilee activities and street parties.

HOW TO GET INVOLVED

1. **Get together** with your friends, neighbours, family and participate in a national litter pick to say thank you to your environment ahead of your local Jubilee Street Party and Big Jubilee Lunch!
2. Join with friends, family, your neighbours and **do something for the environment**, whether that's clearing a space, planting seeds, watering trees - whatever! It could be planting for pollinators, community greening or taking part in a bird watch with family, friends and neighbours - anything that helps say thank you to the environment.

Litter-Picking Tips

1. **Invite** your friends or neighbours to work as a group. You could even get your school or local community group involved!
2. Remember to **bring gloves**, and a litter picker can be very helpful!
3. Look out for hazardous materials and make sure you wash your hands at the end of the day!
4. Don't forget to **recycle** where you can
5. Make sure you're wearing **suitable clothing and shoes**, and that you have enough to drink. If it is warm, consider sunscreen and a hat.
6. **Enjoy getting out together** and saying a great big Thank You to your local environment!

Great Britain & Ireland

#THANKYOU DAY

After your Litter pick why not organise a Big Jubilee Lunch for all the volunteers - raise a glass to each other and to the your environment.

We're taking part in Thank You Day!

This year for the jubilee, our streets, parks and natural environment will be hosting street parties, events, get-togethers across the country as we come together to celebrate the Queen and each other. So let's take an hour to say thank you to our natural environment!

On Sunday 5th June - the last day of Jubilee weekend is Thank You Day & World Environment Day! We're joining alongside some amazing organisations including the FA, the NHS, Rotary, The Sun and The Mirror, and the Scouts to say a great big thank you to the Queen and to each other.

Before we kick off our parties and the Big Jubilee Lunch, let's get together for a great big clear up!

Call to Action: On or before June 5th, bring your friends, fellow volunteers, neighbours and families for a great big 'litter pick'. Come together with your community to clean up your streets and get ready for the Big Jubilee Lunch.

2) Tweet & Share with your networks, don't forget to tag #ThankYouDay

Tweet: *Let's say thank you to our environment this Jubilee! On #ThankYouDay Sunday 5th June, gather your friends, neighbours, family or fellow volunteers for #PowerHour and let's clear up our streets before all the Jubilee parties, together! thankyouday.org.uk*
