# Information Pack for 2021 – 2022

## Introduction

The Rotary Young Musician Competition is a well-organised, established and successful competition promoted by Rotary International in Great Britain and Ireland (Rotary GB&I).

There are three stages to the competition, each designed to support and encourage the development of musical talent. Some stages may have more than one round.

The competition is open to all levels, grades and styles of young instrumentalists and vocalists. The organisers particularly welcome entrants from modern genres.

## Aims and Objectives

The competition aims to offer young people:

- the experience of performing on a public stage
- an opportunity to showcase their musical talent
- impartial feedback and assessment of their performance by experienced adjudicators

## Who can take part?

The competition is open to all schools and college communities, including those that are home educated and any other young peoples' community organisations, for example, community RotaKids, community Interact, Scout Groups, Girl Guides.

All students (amateur) should be in full time education up to the age of 17 on 31st August 2021. It should be noted that competitors may be 18 at the time of some or all stages of the competition e.g. a competitor who is 17 on 31st August but turns 18 on 1<sup>st</sup> September may enter.

**Students should enter the competition organised by a local Rotary Club through their respective group as detailed above.** Individual requests by teachers or other individuals should not be accepted.

Competitors, schools, colleges, and organisations may participate in a District competition that is outside their geographical boundary but may compete in only one Club or District competition.

Please note this competition is intended for amateurs; for the purpose of the competition, an amateur is considered to be a person whose main source of income is not made from musical performances, although there may be occasions when the receipt of occasional out of pocket expenses or prizes may be received. The competition is **not open to full time students of music or performing arts**, studying for a qualification above A Level or equivalent.

There are two categories in the competition:

- solo instrumental
- solo vocal

## The Three Stages of the Competition

### Local Heats

Organised by local Rotary clubs and hosted by schools or colleges. The winners of each category are entered into the District Finals.

Local Rotary clubs may be found by using the club finder facility at the top left corner of the Home Page of the Rotary International in Great Britain and Ireland website [www.rotarygbi.org/](http://www.rotarygbi.org/).

### District Finals

Organised by Rotary Districts. In the case of a high number of entrants, it may be necessary to hold preliminary rounds prior to a District Final. The winners of each category (and, at the discretion of the organisers, the runners-up) are entered into a Regional Final.

### Regional Finals

Organised by Rotary Districts in conjunction with the Regional Coordinator.

**The dates for local heats, District and Regional Finals may have local variations. Interested parties should check dates with their local Rotary Club in the first instance.**

## Competition Guidelines

### Format

This is a competition at which competitors are judged within the context of a live performance. Competitors perform a work or selection of works of their own choice within a time not exceeding 10 minutes.

Competitors may perform the same pieces/songs in each and/or subsequent stages of the competition.

Competitors may perform from memory or from music at any stage. In the case of vocal candidates, it should be remembered that part of the assessment of the performance concerns communication with the audience and performing from a copy of music may prevent candidates from achieving this criterion to the fullest extent.

Competitors should be accompanied by a single instrument in sympathy with the performance; vocalists may accompany themselves. In the case of *vocal, guitar and percussion candidates only*, CD backing tracks are permissible. However, the backing track must not contain the part being performed by the competitor; in such cases where the backing track does contain the part being performed by the competitor, the judges will not mark such performances. Backing tracks are solely the responsibility of the competitor who must provide the performing medium (audio player, amplifier etc) and who will be permitted to have someone to operate the equipment. This will not be the responsibility of the organiser.

There may be occasions when the context of a performance does not require an accompaniment e.g. in the context of traditional folksongs or music written expressly for solo instrumental performance such as J. S. Bach's Cellos Suites or Debussy's 'Syrinx' for solo flute. In such cases, candidates would not be expected to 'manufacture' an accompaniment never intended by the composer.

An acoustic piano, either a grand or upright (the organisers having established which is the most suitable and appropriate) will be provided for competitors and accompanists at all stages of the competition. No other instrument will be provided. Competitors must provide their own accompanists; no 'official accompanist' will be provided.

It should be noted that competitors offering solo piano do not require an accompaniment. Competitors offering solo piano should not have any other instrument playing. This would make the performing ensemble a duo, trio, quartet etc. and would not satisfy the competition criteria of 'solo instrumental performance'.

If a competitor provides an electrical instrument the competitor must present an up to date PAT certificate to the organiser on the day of the competition. Failure to do so will disqualify the competitor from the competition.

## Adjudicators

Persons with appropriate experience will be appointed by Rotary.

For Regional and National finals, a Rotarian will not be appointed as an adjudicator.

The adjudicators will judge each performance according to:

- Melodic and rhythmic accuracy
- Intonation
- Tempo and flow
- Tone
- Mood and character
- The appropriateness of the programme
- The holistic view of the performance on the day

The adjudicators will not enter into any discussion or correspondence regarding their decision; the decision of the adjudicators will be final and not subject to any appeal.

## Prizes

At all stages of the competition, competitors will receive a certificate of participation.

After the adjudicators have determined the result of the competition, they will comment on their observations before announcing the results.

## How to enter

To enter a local heat contact your local Rotary club which can be found by visiting [www.rotarygbi.org](http://www.rotarygbi.org). In case of difficulty, contact the co-ordinator Ian Mills at [young-musician@rotarygbi.org](mailto:young-musician@rotarygbi.org) quoting the address of the school/organisation.

Entrants need to complete an entry form and submit it and other information required to the stage organiser by the time specified.

## Competition Procedure

### Arrival

Before each competition, the competition organiser will conduct a ballot to determine the order in which each competitor performs. The order of performance will be notified to competitors either before or at the competition. In unforeseen circumstances, the organisers reserve the right to make adjustments on the day if the need arises.

Competitors must provide **three copies** of their selected works for the adjudicators. Competitors failing to do so will be adjudicated but the assessment may be adjusted accordingly. It should be noted that competitors playing guitar must submit copies in staff notation: tablature is not an acceptable alternative, although competitors may play from tablature. Photocopying facilities will not be available at the competition venue.

Photocopies of music published as individual pieces will not be permitted unless competitors can provide written permission from the publishers. Competitors who are part of a school/music club should check if photocopying is covered by the school/music clubs PRS Licence

Photocopies of music not published as individual pieces but, in an anthology, will be accepted provided the competitor has a copy of the original publication. All photocopies will be retained and destroyed by the organiser immediately after the event.

Cuts to competitors' parts are not permitted.

If there are any variations to or extemporisation in the competitors' parts, they must be clearly marked in the copies for the adjudicators.

Cuts to the accompaniment should be avoided. However, cuts are permissible to edit long introductions or long passages in the accompaniment where the competitor is not involved. Any cuts to the music must be clearly marked in the copies for the adjudicators.

### Performance

A master of ceremonies will invite each competitor to perform in order of the ballot.

Competitors may introduce their own programme.

The selection of music should reflect contrasting styles which may be differing movements of the same composition.

It is recommended that performers include some variety of style and musical period in their choice of music. The balance of the programme will be taken into consideration by the adjudicators in the event of a tie.

In the instrumental category, except for percussion, competitors should play only one type of instrument. Percussionists may combine tuned and untuned percussion in their performance but this is not compulsory.

Vocal competitors should select songs suitable for a family audience, giving due consideration to the appropriateness of the lyrics.

**The time for competitors' performance should not exceed 10 minutes.** The timing should begin when the competitor first begins to play. A performance which exceeds the stipulated time may be marked down by the adjudicators.

The performance time for Local Heats and District Finals may have local variations. Interested parties should check performance times with their local Rotary Club.

Amplification, although permitted, may not be provided by the organisers. Where the organisers do not provide amplification, performers must provide their own. In this case, an up-to-date PAT certificate must be presented to the organisers. This must be indicated clearly to competitors.

Photographs must not be taken, and audio and video recordings must not be made by anyone other than those nominated by the organiser.

### Results

After the adjudicators have determined the result of the competitions, one or more judges will comment on their observations before announcing the result.
