## **End Polio Now Christmas Card 2022**

Dear Rotarian / Rotaractor / Interactor / RotaKid / Inner Wheel Member / Member of the public.

We are delighted to enclose details of our 'End Polio Now' (EPN) 2022 Christmas Cards.

Every penny profit will go to 'End Polio Now', (EPN). Profit generated from purchases will be donated to The Rotary Foundation UK and credited to each purchasing club's EPN account.

Cards are in packs of 10 with envelopes at £4.80 per pack inclusive of post and packing. **Our 2021 card made a profit of £2.50 per pack of 10 cards, a massive 56% of sales. A club purchasing 20 packs received a credit to their EPN account of £50.00.** Whilst still available this will be double matched by The Bill & Melinda Gates Foundation.

**Our timeline is as follows:**

**Orders placed and payment received by:**

**22<sup>nd</sup> October 2022**

**Delivery to one address per club by:**

**30<sup>th</sup> November 2022**

**(Last year all deliveries achieved by 9<sup>th</sup> November 2021 unless customer on holiday!)**

**Confirmation of Club Donation to End Polio Now:**

**31<sup>st</sup> January 2023**

**(Last year this was achieved by 17<sup>th</sup> November 2021)**

**We have relaxed the order deadline by a few days, compared with last year. This still buys our customers more time to distribute to their members compared with earlier (pre-Covid) years.**

We hope you will be as pleased as we are with the quality of these cards, and that you will support this initiative, which has been approved by The Trustees of The Rotary Foundation of The United Kingdom. Most people buy charity cards in the High Street (often only 10 or 20 pence per pack to charity!) so here is an opportunity to buy a card with profits donated to the most significant charitable programme in the history of Rotary, to rid the world of the devastating and life-changing Polio virus.

Card size is A6 - 105 mm x 148 mm (4.1 x 5.8 inches in old money)

Printed on 255 gm Scancoat Elegance or similar.

**The order form is editable so you can order from your computer. Of course you may still print hard copy to post or scan to us. Bank details are shown if you wish to pay by BACS.**

The left hand inside page is intentionally blank. Several clubs use a sticker or overprint their own details such as club name, meeting time and venue, events, contacts, website and social media links.

Thank you in anticipation of your support.

The Rotary Foundation 'End Polio Now' Campaign.

In 1985 Rotary International embarked on a project to rid the world of this devastating virus which then was infecting over 1,000 children every day. By 6th July 2022 this was reduced to just 13 cases of Wild Polio virus for the year to date worldwide.

Wild Polio Virus is now endemic only in Afghanistan and Pakistan
