WELCOME

PARTNERSHIP PACK 2024

The Rotary Action Summit in Newcastle is the national event for Rotary in Great Britain and Ireland in 2024 and is being promoted to all 34,000 Rotary members across the country.

The event takes place over the weekend of 8th – 10th November at the Crowne Plaza Stephenson Quarter Hotel, right in the heart of Newcastle, with several hundred Rotary members from Great Britain and Ireland expected to attend.

As one of the world's largest and most successful membership and humanitarian service organisations, our focus is always on celebrating the impact we have in local communities and around the world.

We'll be featuring some incredible projects created and led by Rotary clubs tackling a range of issues, from support education and prioritising mental health, to protecting the environment and empowering young people.

Showcase your organisation's passion for doing good by networking with visitors and partner organisations, all looking to turn their ideas into lasting change.
