THEME – ‘Happiness in Nature’

The ‘Happiness in Nature’ theme can be interpreted as broadly as the Young Artist wishes and does not need to conform to a dictionary definition. Young people are encouraged to use their creativity to show what this theme means to them.

Introduction

The Rotary Young Artist Competition is organised and promoted by Rotary International in Great Britain and Ireland (Rotary GB&I).

There are three stages to the competition, designed to support and encourage the development of artistic skills. Some stages may include more than one round to select entrants progressing to the next stage.

Aims and Objectives

The competition encourages young people to:

- be creative
- develop skills in traditional, contemporary or digital media
- interpret the theme thoughtfully
- express personal ideas through their chosen medium or mediums

Who can take part?

The competition is open to all young people within the age groups shown below. They may be an individual choosing to enter directly themselves or amongst the entries submitted by a group or community organisation including schools and colleges, home educated, other young peoples’ community organisations, for example, community RotaKids or Interact, Scout Groups, Girl Guides, etc.

Age groups (based on age as of 31st August 2025):

Junior	Up to and including 10 years old
Intermediate	11 to 13 years old
Senior	14 to 17 years old

Note: Because the qualifying age is based on 31st August 2025, some entrants may have birthdays that would otherwise place them in a different age group at the actual date of the competition. For example, a young person who is 17 on 31st August but turns 18 on 3rd September 2025 is still eligible to enter as a Senior or a 10-year-old on 31st August 2025 with their birthday on 1st September 2025 is still eligible to enter the Junior category. **Entrants must include their age on the entry form.**

How to Enter

To enter a local heat, contact your local Rotary club. You can find one using the club finder at the top left-hand corner of the homepage of the Rotary GB&I website www.rotarygbi.org. If you’re unable to reach a local club or if you have any questions, please email the Rotary GB&I Competitions Team at competitions@rotarygbi.org.

Entrants should submit their entry through their group or organisation or individually. A completed entry form and a digital copy of the artwork must be submitted to the relevant stage organiser by the specified deadline.

Important: Entrants may participate in a competition organised by a Rotary club outside their geographical area but may enter only one local heat.

The Three Stages of the Competition

Please note: some stages may involve more than one round to select those progressing to the next stage.

Local Heats

These are organised by local Rotary clubs, each of which sets its own deadline for entries. This deadline must allow enough time for winning entries from the Local Heat/s to be submitted, along with the correctly completed entry form and any necessary consent form/s, to the Rotary district for the District Final.

Entries received after the deadline set for the Local Heat/s in your area will not be accepted.

District Finals

The winning entries from the Local Heats in each age group are entered into the Rotary district final and must be accompanied by the correctly completed entry form and any necessary consent form/s. Each District sets its own deadline to ensure sufficient time for district winners to be submitted electronically for the National Final.

Local Heat/s winners submitted after the District deadline will not be accepted.

National Final

The winning entry for each age group at the District level is entered into the National Final which is organised by Rotary GB&I. Entries must be submitted electronically to cds@rotarygbi.org by the deadline of 30th April 2026, and each must be accompanied by a correctly completed entry form and any necessary consent form/s.

District winners submitted after the National Final deadline will not be accepted.

Competition Guidelines

Task

Create one finished **two-dimensional** unframed, piece of artwork based upon the theme, '**Happiness in Nature**'.

Artwork may be created in any medium or mediums for example pen and ink, paint, collage, printmaking or digital formats.

Each entrant MUST include a brief sentence explaining how their artwork relates to the theme. This sentence must be added to the appropriate section of the entry form. Entries without this explanation will be disqualified.

Please note:

- Artwork that forms part of a current educational exam portfolio are **not eligible** for entry due to exam board regulations
- If the artwork includes **photographic or video images of people under 18 or adults at risk, a signed consent form/s must accompany the entry**
- For the National Final the artwork must be submitted digitally and be at least 1500 pixel in size on the longest length and the entry and supporting information sent electronically **MUST NOT EXCEED 15Mb** per email sent
- Artwork which incorporate photographic images of people under 18 years or adults at risk must be accompanied by consent form/s for their use.

Plagiarism or Close Copied Images

Plagiarised or 'close-copied' images are not permitted in any competition. It is important that we protect the work of creative individuals. Whilst we are all inspired by the work of others, there is without doubt a grey area where inspiration carries over to close copying. For our competitions 'close copying' is where, to a reasonable person, the submitted entry appears

remarkably similar in significant important respects to a body of work created elsewhere. We are looking for original pieces, not copies, which match the theme of the competition. Competitors **must not** use any apps which produce any part of their submission, if detected the entry will be disqualified.

Judges

The judges will be people with appropriate skills appointed by the organisers for the Local Heats and District Finals accordingly.

At the National level the judges will be appointed by Rotary GB&I and will not be Rotarians.

Judging Criteria

Judges will consider:

- technical merit
- content and composition
- imagination and style
- relevance to the theme.

The judges will not enter any discussion or correspondence regarding their decision; the decision of the judges will be final and not subject to any appeal.

Recognition

At all stages of the competition, competitors will receive a Certificate of Participation.
